Jerusalem, 2021

Note: These courses are neither accredited by a university nor designed academically.

**The purpose of this teaching series is to equip you to engage with Muslims on topics of faith and draw them to the Truth of Christ. You will be provided with tools that will enable you to reach any nationality of Muslim.**

- Note: Though the material gives you freedom to jump between videos, we recommend that you take the courses in the order that they are listed below.

This series will include the following:-

## Course one – Faith Essentials

- 1- My Identity: Defining Christians & Christianity**
- 2- My Tools: Learning Needed Theology – Faith Essentials**

## Course two – Islam and Muslims

- 3- My Field: Understanding Islam and Muslims**

## Course three – Apologetics

- 4- My Defense: Answering the Most Common Arguments**

I believe that the elements of these four pillars: my identity, my tools, my field, and my defense/message/ministry, need to be identified in every scope of ministry. Of course they change according to the type of ministry we are called to; and everything we learn today or in the future will fit under one of these pillars.
